EXPRESSION OF INTEREST (EoI) FOR PROVISION OF RENTAL GAS ENGINE POWER GENERATORS (GEG) FOR GENERATION OF POWER USING ASSOCIATED GAS AT ITS FIELD IN RAJASTHAN, INDIA

Cairn Oil and Gas, a vertical of Vedanta Limited is the Operator on behalf of itself and Joint Venture (JV) partner Oil & Natural Gas Corporation (ONGC) Ltd., of the onshore block RJ-ON-90/1 (the “Block”) located in Barmer and Jalore district, in the state of Rajasthan, India. The Block contains a number of major oil discoveries including the Mangala, Bhagyam & Aishwarya fields. In addition, we operate satellite fields namely KW-2, Raag oil, Guda among others.

The operator on behalf of its joint venture partners invites reputed Contractors with proven track record and demonstrated HSE performance to express their interest to participate in Competitive Bidding Process for supply of Rental GEGs for generation of ~3MW to ~20 MW of power using surplus associated gas at multiple satellite fields in Rajasthan Block.

Scope of Work broadly includes, but not limited to, the following:

- Multiple GEG (with associated facilities such as gas conditioning skids, stack, etc) each with a min Capacity of 1 MW.
- Synchronisation Panel.
- Step-up Transformer with Neutral Grounding resistor & NGR monitoring relay complying to CEA-2010 requirements.
- 11/33/132 KV Switchboards.
- Electrical Container with all Panels.
- Hooking up of Power to RSEB 2 Pole Structure near facility to power export to RSEB grid.
- Required co-ordination with RSEB for metering and other technical requirements.
- All associated cabling, lighting, earthing, lightning protection including supply of electrical bulks in line with DGMS requirement.
- Supply of operator(s) for 24 hours manned operations of Rental GEG Setup and operation & maintenance of supplied equipment’s.
- All Engineering, Supply, pre-commissioning, commissioning, operating related to the Package (including all interfaces & DGMS approval) shall be in Scope of vendor.

Interested companies meeting following criteria only should respond to this EOI:

1. Turnover in each of the immediately preceding two financial years should be equal to or more than the estimated average annual contract value.
2. Positive net worth in each of the immediately preceding two financial years.
3. Liquidity ratio shall not be less than 1 in each of the preceding Two (02) financial years.
4. Contractor shall have a minimum of 02 years’ experience in supply or operation and maintenance of Gas based power facilities.
5. Contractor shall have valid Electrical License to work on HV/MV systems in the state of Rajasthan.
Participants are requested to submit the following documents:

1. Letter of interest clearly indicating the project reference and detailed company organizational structure / information.
2. Details of similar experience of (a) designing and execution of similar job, (b) operation and maintenance of Gas based power facilities or similar nature of work, which is executed in the last 5 years and those of currently under execution along with details of total executed contract cost. Details of completion of similar type of contract in the last 3 years under heading:
   a) Brief scope of work b) Value of work in INR/USD c) Contractual Duration d) Actual completion of contracts, e) Clients name f) Contact details of the Client (Operator may approach the client directly for the feedback) g) HSE statistics, LTI graph etc.
3. Completion certificate/ Occupancy certificate along with copy of work order/ contracts details (stating scope of work, contract value, commencement date, completion date, and location of work) must also be provided.
4. Detailed contract planning and execution methodology.
5. Details of Equipment owned by the company and relevant to execution of advertised contract. Quality assurance & quality control practices currently in place for the execution of similar work.

 Company’s financial performance documents (Audited Balance sheets and Profit and Loss statements, Auditors Report and Notes to Accounts etc.) for last 2 (two) years. Latest financial statement should not be older than 12 months on the date of submission of response to Expression of interest.

Also, note

i. Normally standalone financials of the bidding entity only will be considered. However, consolidated financials at the bidding entity level, if available, can also be submitted. Parent company or Affiliate’s financials can be submitted and considered, subject to submission of Parent/ Affiliate company guarantee. This should be clearly mentioned in the EoI response.

ii. Where the bidding entity is unable to meet the Financial Evaluation Criteria, Parent/Holding Company Audited Financials can be considered, subject to:
   a) Submission of Financial guarantee in the form of 10% Bank guarantee of contract value.
   b) Commitment Letter from Parent/Company to provide financial support to the bidding entity.

iii. Evaluation will be done only on the basis of the published annual reports / audited financials containing Auditor’s report, Balance sheet, Profit & Loss a/c and Notes to Accounts.

iv. In case of unaudited statements (if there are no audit requirements for auditing of financials as per the local law), the financials shall be accompanied by a certificate from a Certified Accountant. Certificate should also mention the fact that there is no requirement of audit of the financials as per the local law.

All qualifications and exceptions brought out in Auditor’s report and Notes to Accounts would be factored in while undertaking financial evaluation.
The interested contractors should evince interest to participate in an ‘Open Tender’ by clicking on the “Evince Interest” link for the corresponding EoI listing on the Cairn Website i.e. [http://www.cairnindia.com](http://www.cairnindia.com) and submit their contact details online within Fourteen (14) days of this publication. Further to this, interested contractors would be invited to submit their techno-commercial bids (Unpriced and Priced) for evaluation and qualification via Smart Source (Cairn’s e Sourcing Platform).
